About Us

Got incorporated in the year **1996**, our firm **Summit Healthcare (P) Ltd.** is continuously growing in the Indian market. We are well known **Wholesaler, Supplier, Distributor and Trader** of **PFT System and Spirometers, Hospital Furniture, Pulse Oximeter, Suction Machine, Critical and Emergency Care and Anaesthesia and Critical Care Products.** These hospital machines are best in working and shock proof in nature. Professionals make these hospital equipments with the use of best and quality checked electronic components. In addition to this, these hospital equipments are presented in the market after complete inspection on several times. These equipments are offered in the market in complete safe packing and after rigorous examination on several parameters. We are authorized distributor of Nonin brand.

We have team of highly skilled and experienced marketing professionals. We have large storage capacity at our firm to store these equipments safely to meet bulk requirement of the customers in lesser time period. Meeting to utmost satisfaction of the clients, these machines are obtained from the well known suppliers available in the market. In addition to this, these offered hospital equipments are completely reliable and easier to install in hospitals and nursing homes. Under the guidance by our mentors **Mr. Madhu Nair** and **Mr. Keyur Shah** we have become able to meet the needs of our precious...
